

0601389000 - GPO 14 CE

Material number	0601389000
EAN	3165140572996
Number of simple tool	3601C89000
additional handgrip No ET 2602025067	✓
D grip No ET 1619 P07 563	✓
Electric tension	230 V

Technical data

Technical data

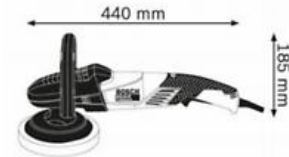

Absorbed power	1400 W
Speed vacuum	750-3000 rpm
useful power	800 W
Thread grinding spindle	M 14
Rubber Sanding Pad, Ø	180 mm
Glass brush, Ø	100 mm
Ø grinding vessel	180 mm
Polishing sponge Ø	160 mm
flat brush, Ø	175 mm
Weight	2.5 kg

functions

Electronic control	✓
Constant electronic	✓
direct cooling	✓
Soft start	✓
Switch lock	✓
Overload protection	✓

Information about noise / vibration

Sound pressure level	91 dB (A)
Sound power level	102 dB (A)
tolerance K	3dB
Noise level	The noise level of the weighted power tool is typically as follows: Sound pressure level 91 dB (A); sound power level 102 dB (A). Uncertainty K = 3 dB.

Sales information

positioning

- The more manageable for brilliant results

User benefits

- Great maneuverability thanks to the compact ergonomic grip Softgrip anti-vibration tool only 2.5 kg for a
- nice work
- 1,400 W powerful motor with current limiting boot for fatigue-large surfaces

more advantages

- Preset speed in six levels to work with different housing materials gear protected with plastic and coated with an
- optimized insulation
- Ventilation inlets specially designed to provide optimum engine cooling for a long lifespan D-handle to suit best to hold it in different positions
- Safety switch TriControl work for a controlled machine connection brushes off the great motor protection
