

Product Data Sheet

BOSCH

Tecnologia per la vita

Reciprocating saw

GSA 1300 PCE

The lowest vibration in its class, together with a power of 1,300 watts

The main data

Power	1,300 W
Cutting depth in wood	230 mm
Saw, stroke length	28 mm

Order code: 64E 0601 200

[> For further product information](#)

** non-binding recommended price, including VAT*

Technical data

Power	1,300 W
Number of empty runs	0-2900 strokes / min
Weight	4.1 kg
Saw, stroke length	28 mm
Cutting depth Cutting depth in wood	230 mm
Depth of cut in sections and metal pipes	20 mm

Noise / Vibration

Drilling in wood	
Vibration emission value ah	21.0 m / s
Uncertainty K	1.5 m / s ²

Advantages:

- For fatigue working: anti-vibration handle and mass balance
- Replacement Blade System "SDS" for a change of comfortable and fast blade with one hand
- from 1,300 Watt high performance electric motor provided with function "Constant Electronic", for the most demanding applications
- Constant LED to illuminate the darkest of work areas
- constant oscillating stroke for a rapid advancement of the cut
- Hinges without tools adjustable saw

64E 0601 200

Saw blade for wood S 2345 X

for metal blade S 123 XF

Carrying case
