

DEWALT®

DW714 254MM COMPOUND MITRE SAW

Vertical clamp allows a piece of material to be secured whilst cutting

Sliding fence provides maximum support for large material cuts

Wide die cast aluminum base provides plenty of work-piece support, with base extension capabilities

Holes to fit extension wings to stabilize large pieces of wood

Beveling lever allows adjustment to 47 degrees

Horizontal D-handle design for comfortable and fatigue-free operation

1650W universal motor delivers plenty of cutting power in high torque applications

Precision mitre scale design to provide trouble free adjustments

Cam action mitre lock function makes mitre setting faster and easier allowing the user to quickly adjust angles between 0° - 50° left and 0° - 60° right

Horizontal support clamps allows a piece of material to be secured whilst cutting

Easy to carry handle

Includes:

Extension kit for mitre saw

Vertical clamp

Dust bag

DW714

Power	1650W
Blade diameter (bore)	254mm (30mm)*
No load speed	4600rpm
Electronic brake	Yes
Mitre setting	47° L / 52° R
Bevel setting	45° L
Max depth of cut (90°)	89mm
Max cross-cut (90°) mitre	130mm
Max cross-cut (45°) mitre	91mm
Weight	13.1Kg
Max cutting capacity	90° mitre (95 x 65)
Max cutting capacity	45° mitre (68x67)
Max cutting capacity	45° bevel (95x40)

*25.4 mm (India Market)
