## Key features

- Insulated, nickel plated jaws
- Blunt tip grabs round screw heads up to 9.5 mm
- Recommended for use with modular test leads
- CAT IV 600 V, CAT III 1000 V, 10 A rating

## Product overview: Fluke AC220 SureGrip™ Alligator Clips

The AC220 SureGrip™ Alligator Clips allows for a strong grip onto round screw heads up to 9.5 mm. These heavy-duty alligator clips are recommended for use with modular test leads such as the [TL222](#) and [TL224](#) SureGrip™ leads.

SureGrip accessories were designed to provide a reliable grip in slippery hands. Rubber-overmolded surfaces and finger-hugging curves give the user a comfortable, steady hold on the alligator clips so you can focus on making an accurate measurement no matter what work environment you're in.
