

ULTRA SLIM STABILIZER

Automatic Voltage Regulator

- Wide Range Automatic Voltage Regulation
- Digital Meter Indicate Input and Output Voltage
- Extreme High Voltage Protection
- Short Circuit and Overload Protection
- Delay Output Protection
- Variable Range Control
- Safe and Easy to use.

	Input Range	Model			
Series	140VA~280VA	WZ1-1000	WZ1-2000	WZ1-3000	WZ1-5000
	100VA~280VA	WZ2-1000	WZ2-2000	WZ2-3000	WZ2-5000
	80VA~280VA	WZ3-1000	WZ3-2000	WZ3-3000	WZ3-5000
Technology	CPU based Digital Circuit				
Output	Input Frequency	50/60Hz			
	Output Vol	220/110 Vac			
	Output Precision	10%±			
Efficiency	98%				
Phase	Single Phase				
4 Color Display	Input & Output Voltage, Unusual Voltage. Overheat				
Protection	Hight Voltage	Yes			
	Short & Overload Protection	Fuse/Circuit Breaker/Air Break Switch			
Delay Time	6/120 Seconds				
Safety Standards	CE, EN60950, EN55024				
Operating Conditions	Operatin Temperature	0~40 °C			
	Storage Temperature	15~45 °C			
	Operation Relative Humidity	10%RH~95%RH, Non-condensing
