Multi-touch Screen with 8H Surface Hardness

Simply touch, drag, resize and manipulate, photos, documents or web pages, just like on your favourite mobile devices! 8H scratch resistant surface hardness ensures a consistent high quality touch experience and durability.

Full HD 1080p Display with 1920x1080 Resolution

The 22" (21.5"/54.6cm viewable) Full HD monitor supports imaging intensive commercial applications, video and image editing and entertainment. 20,000,000:1 MEGA Dynamic Contrast Ratio provides a crisp image with high level details.

OptiSync digital/analog inputs expand your connectivity

The TD2220 supports Windows® 8 touch function and boasts USB HID (Human Interface Device) for plug-and-play. The TD2220 can be connected through USB for instant two-point touch operation and for experiencing easy navigation through intuitive touch operation. Two USB ports for additional connectivity for peripherals and electronic devices. Multi-mode input technology supports both digital (DVI) and analog (VGA) signals for compatibility and configuration flexibility.

### ENERGY STAR® and EPEAT Silver certified

The TD2220 is TCO Compliant and environmentally sound with Energy-saving LED backlight and Eco-mode. You can save up to 40%* in your energy cost comparing to a regular 22" monitor.
