Product Description

The ViewSonic® VA1901-A is a 19" (18.5" viewable) widescreen monitor that delivers value and performance for both home offices and small businesses. Equipped with crisp 1366x768 resolution, a fast 5ms response time, and rich colour performance, the VA1901-A is great for a variety of applications ranging from viewing office documents to surfing the web. Featuring a hairline surface finish, this 19" monitor looks great on any desktop. ViewSonic's exclusive ViewMode™ feature provides intuitive presets for optimized screen performance in different applications.
